Trinity Classical Academy's Spring Gala has become a wonderful tradition in the life of our school. It is a terrific way to spend a fun-filled evening while supporting excellent education in the Santa Clarita Valley.

Trinity was founded in 2001 and has become a fixture in the Santa Clarita education landscape. In just eight short years, we've quickly grown from 28 students in grades

K-2 to our present enrollment of 227 students in grades K through 9th from nearly 40 churches! Trinity has been adding one grade level per year as we strive to our 2011 goal of becoming a K-12 Academy.

Proceeds from the gala help raise funds to further the mission of Trinity to provide classical, Christian education to produce young men and women of virtue, wisdom, purpose, and courage.

Thank you so much for your support.
